

BEAUTIFUL CAT FOUND!

For at least a month or more, we have seen a **beautiful long hair cat** sneaking some food from our two outdoor cats on Watson Lane, just off Tom's Creek Road in Blacksburg. See photo above. He/she(?) looks too well-groomed to be a feral cat. May belong to someone. **Very friendly cat**, allows us to pet him/her, and meows for food which we provide and we **want to get him reunited with his family before the cold winter is here.**

**If he/she looks like your lost cat, please call
Pat or Michael Furey at **540-552-0441.****
