## Place Found

Location	Cambria & N. Franklin intersection, coming from Cambria direction	Date	May 28, 2010 - 11:00 pm
----------	---	------	-------------------------

## Story

She was running in the intersection, so we opened the car door & she jumped right in! She is really friendly. She smelled of skunk, and has an ear infection. We took her to the vet, and got her meds.
